Informations

Welcome to the University Jean Moulin Lyon 3 Application portal.

We kindly ask you to carefully read the admission requirements for the program of your choice on the respective faculty website. If you encounter any issues, please refer to the program website.

Are you a Lyon 3 student for the current academic year? Please note that logging in with your Lyon 3 credentials does not allow you to apply. This is a prerequisite for the automatic update of your internal academic record. You will need to create an eCandidat account after logging into the platform.

To create an eCandidat account:

Step 1: Click on the "Create Account" button and set a personalized password. Without creating an account, you will not be able to apply for any program.

Step 2: Confirm the creation of your account by clicking on the link that is sent to you by email.

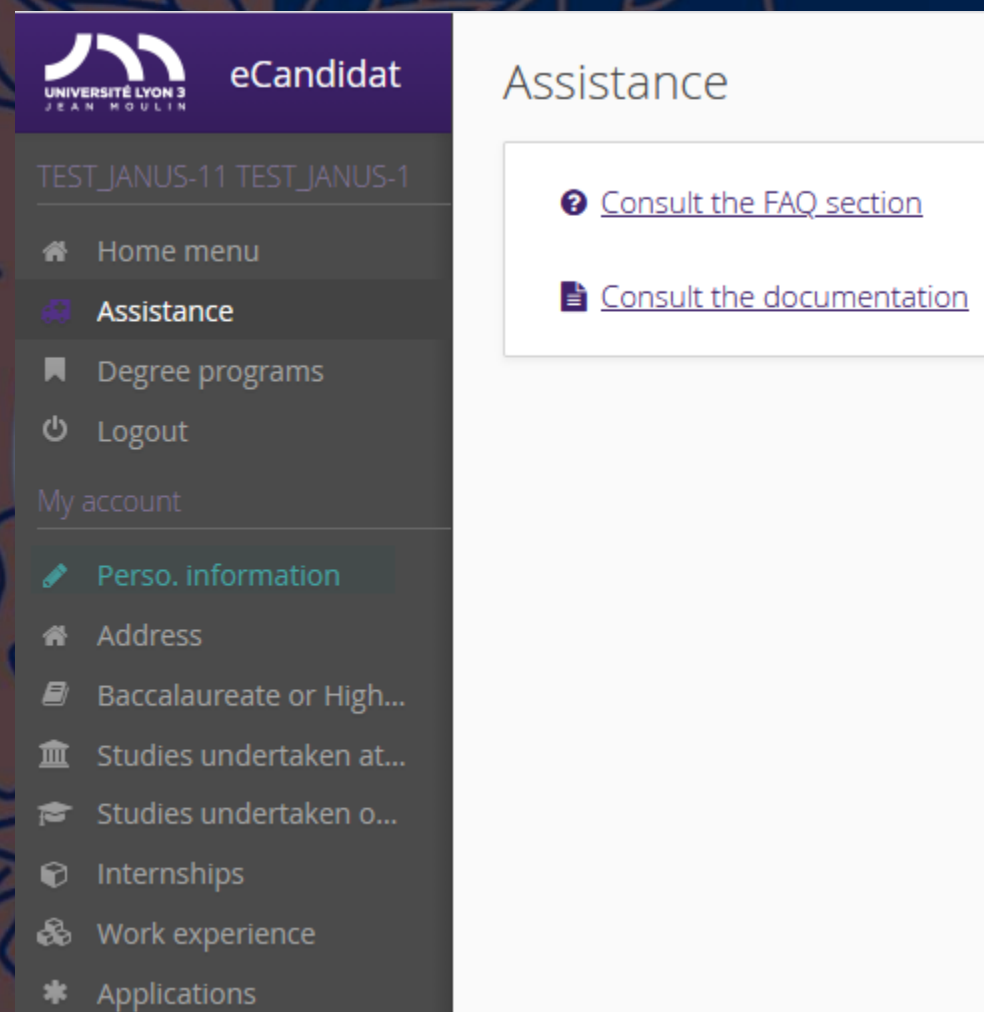

Step 3: Log in using your application number and password in the "I am not a student at Lyon 3 for the current academic year" section.

If you are logged in with your student number and your academic record does not appear in your profile after 24 hours, please add it manually in the "Academic Background" section.

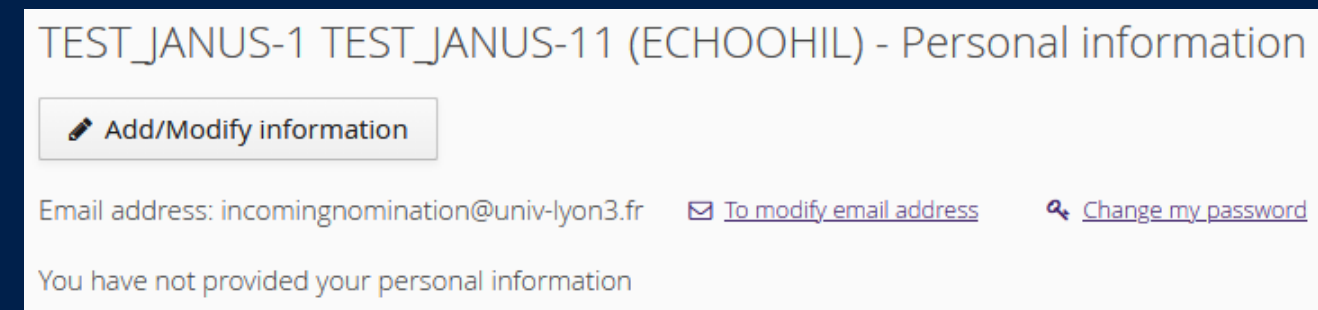

The University Lyon 3 is located in the 8th district of Lyon.
